

Question Booklet Code :

Register  
Number

--	--	--	--	--	--	--	--	--	--

**2019**  
**SOCIAL WORK**

Time Allowed : 3 Hours]

[Maximum Marks : 300

Read the following instructions carefully before you begin to answer the questions.

**IMPORTANT INSTRUCTIONS**

1. The applicant will be supplied with Question Booklet 15 minutes before commencement of the examination.
2. This Question Booklet contains **200** questions. Prior to attempting to answer, the candidates are requested to check whether all the questions are there in series and ensure there are no blank pages in the question booklet. **In case any defect in the Question Paper is noticed, it shall be reported to the Invigilator within first 10 minutes and get it replaced with a complete Question Booklet. If any defect is noticed in the Question Booklet after the commencement of examination, it will not be replaced.**
3. Answer all questions. All questions carry equal marks.
4. You must write your Register Number in the space provided on the top right side of this page. Do not write anything else on the Question Booklet.
5. An answer sheet will be supplied to you, separately by the Room Invigilator to mark the answers.
6. You will also encode your Question Booklet Code with Blue or Black ink Ball point pen in the space provided on the side 2 of the Answer Sheet. If you do not encode properly or fail to encode the above information, action will be taken as per Commission's notification.
7. Each question comprises *four* responses (A), (B), (C) and (D). You are to select **ONLY ONE** correct response and mark in your Answer Sheet. In case you feel that there are more than one correct response, mark the response which you consider the best. In any case, choose **ONLY ONE** response for each question. Your total marks will depend on the number of correct responses marked by you in the Answer Sheet.
8. In the Answer Sheet there are **four** circles (A), (B), (C) and (D) against each question. To answer the questions you are to mark with Blue or Black ink Ball point pen **ONLY ONE** circle of your choice for each question. Select one response for each question in the Question Booklet and mark in the Answer Sheet. If you mark more than one answer for one question, the answer will be treated as wrong. *e.g.* If for any item, (B) is the correct answer, you have to mark as follows :  

(A) ● (C) (D)
9. You should not remove or tear off any sheet from this Question Booklet. You are not allowed to take this Question Booklet and the Answer Sheet out of the Examination Hall during the time of examination. After the examination is concluded, you must hand over your Answer Sheet to the Invigilator. You are allowed to take the Question Booklet with you only after the Examination is over.
10. **Do not make any marking in the question booklet except in the sheet before the last page of the question booklet, which can be used for rough work. This should be strictly adhered.**
11. Applicants have to write and shade the total number of answer fields left blank on the boxes provided at side 2 of OMR Answer Sheet. An extra time of 5 minutes will be given to specify the number of answer fields left blank.
12. Failure to comply with any of the above instructions will render you liable to such action or penalty as the Commission may decide at their discretion.

**SEAL**

SPACE FOR ROUGH WORK

  - (D) H.Y. Siddiqui

122. Which of the following is /are principles of group work?
- (i) Planned group formation
  - (ii) Guided group interaction
  - (iii) Individualization
  - (iv) Evaluation
- (A) (i),(ii) and (iv) only                      (B) (i) , (ii) and (iii) only  
(C) (i), (iii) and (iv) only                       (D) (i), (ii), (iii) and (iv)
123. Which one of the following is not the purpose of group work?
- (A) To teach individuals to line and work together
  - (B) To Participate in the activities of the group
  - (C) To solve problems of adjustments
  - (D) To give opportunities for talented members alone
124. Who produced an unified theory in group work?
- (A) Konopka    (B) Gisella  
(C) William     (D) Ruth Smalley
125. Phobias, Panic and Obsessive compulsive disorders are classified as
- (A) Dissociative disorders                      (B) Mood disorders
  - (C) Anxiety disorders                              (D) Somatoform disorders
126. Father of Psychoanalysis is
- (A) Freud    (B) Adler
  - (C) Jung    (D) Trecker
127. Delusions are characteristically seen in
- (A) Delirium     (B) Schizophrenia
  - (C) Dementia    (D) Depression
128. UN convention on rights of person with disabilities came into effect from
- (A) 3<sup>rd</sup> March 2000                                      (B) 3<sup>rd</sup> April 2005
  - (C) 3<sup>rd</sup> May 2008                                      (D) 4<sup>th</sup> July 2010

129. Social worker 'Almoner' was first appointed at the \_\_\_\_\_ in the year 1895.

- (A) Royal free hospital, London
- (B) Bethlehem Hospital for poor, London
- (C) London Charity Hospital
- (D) Elizabethen Health care Homes

130. Match the following :

Acceptable noise levels (dBA)

- |                              |    |       |
|------------------------------|----|-------|
| (a) Residential              | 1. | 40-60 |
| (b) Hospital                 | 2. | 40    |
| (c) Commercial (Restaurants) | 3. | 30-40 |
| (d) Educational              | 4. | 20-35 |

- |   | (a) | (b) | (c) | (d) |
|---|-----|-----|-----|-----|
| (A)                                     | 3   | 2   | 4   | 1   |
| (B)                                     | 1   | 3   | 2   | 4   |
| <input checked="" type="checkbox"/> (C) | 2   | 4   | 1   | 3   |
| (D)                                     | 4   | 1   | 3   | 2   |

131. 'Tiger Mosquitoes' are otherwise known as

- (A) Anopheles Mosquitoes
- (B) Culex Mosquitoes
- (C) Aedes Mosquitoes
- (D) Mansonia Mosquitoes

132. PHCs/CHCs in our country are using \_\_\_\_\_ for maintaining quality health care.

- (A) NHM standards
- (B) Mo HFW standards
- (C) Indian Public Health Standards
- (D) ICMR Standards

133. In health education, translating health information into the desired Health Action is the core of

- (A) Social intervention model
- (B) Motivation model
- (C) Attitudinal change model

- (A) Watson's conditioning  
(B) Bardura's conditioning  
(C) Skinner's conditioning  
 (D) Partonian conditioning
166. A female archetype present in males, a concept explained in Jung's analytical psychology
- (A) anima                      (B) animism  
(C) animus                      (D) angular gyrus
167. Statement 1: Sympathetic Nervous System is active in states of arousal and in stressful situation.  
Statement 2: Parasympathetic nervous system is active in resting and quiet states.
- (A) Statements (1) and (2), both are correct  
(B) Statements (1) and (2) both are incorrect.  
(C) Statement (1) is correct but (2) is incorrect  
(D) Statement (2) is correct but (1) is incorrect
168. The world \_\_\_\_\_ refers to perception of the world around us.
- (A) Sensation                      (B) Attribution  
(C) Gestalt                       (D) Cognition

169. Which one of the following is to be a first stage of stratification in society?
- (A) Hierarchy  (B) Differentiation   
(C) Classification  (D) Unification
170. According to Raymond W. Murray, social stratification is a \_\_\_\_\_ division of society into "high" and "lower" social units.
- (A) vertical  (B) nuclear   
(C) uniform  (D) horizontal
171. In a society Folkways are
- (A) laws or morals   
(B) repetitive petty acts   
(C) compulsory act   
(D) obligatory act
172. Who had invented 360 degree feedback tool in HRD practices?
- (A) Gary Harnel   
(B) Phillip Kofler   
(C) Marshall Goldsmith   
(D) William Ouchi
173. The "Leader participation model" was developed by
- (A) Victor Vroom and Philip Yetton   
(B) Robert Mouton   
(C) Peter Senge   
(D) Ken Blanchard

174. Which one of the following is not to be discussed in works committee?
- (A) Condition of work
  - (B) Adjustment of Festival and National holiday
  - (C) Safety and accident prevention
  - (D) Victimization of Trade Union activities
175. Find out the odd one from the following method of counselling is/are
- (A) Desensitization
  - (B) Catharsis
  - (C) Rapport Building
  - (D) Insight
176. Which one of the following is not a feature of collective bargaining?
- (A) Joint Process
  - (B) Continuous Process
  - (C) Sporadic Process
  - (D) Dynamic Process
177. According to Shri Guljarilal Nanda the Central Government has announced \_\_\_\_\_ based on the Gandhian Philosophy in May 1958
- (A) Standard labour practices
  - (B) Code of conduct
  - (C) Welfare provisions
  - (D) Safety procedures
178. What are the two sides of social security system?
- (A) General Insurance and General Assurance
  - (B) Social Insurance and Social Assurance
  - (C) General Assistance and General Insurance
  - (D) Social Assistance and Social Insurance

- (A) Interest disputes
  - (B) Grievance disputes
  - (C) Recognition disputes
  - (D) Disputes over unfair labour practices

180. The minimum number of workmen required for registration of a trade union is \_\_\_\_\_ at present.
- (A) 05% or 50% of workmen engaged (or) employed whichever is less, subject to a minimum of 7
- (B) 10% or 100 of workmen engaged (or) employed whichever is less, subject to a minimum of 7
- (C) 20% or 50 of workmen engaged (or) employed whichever is less, subject to a minimum of 7
- (D) Not less than 10 or  $\frac{1}{4}$  th of those working in the industry at present
181. Commitment of the Industries towards the society is
- (A) Corporate Sentiment  (B) Corporate Social Responsibility
- (C) Social Commitment (D) Corporate Commitment Policy
182. Which of the following is a non-guaranteed payment?
- (A) Wages (B) Incentives
- (C) Bonus (D) Remuneration
183. Which of the following are central trade unions of India?
- (i) INTUC
- (ii) AITUC
- (iii) UTUC
- (iv) CITU
- (A) (i), (ii), (iii) and (iv) (B) (i) and (ii)
- (C) (ii) and (iv) (D) (i), (ii) and (iv)
184. According to the \_\_\_\_\_ Act, no person employed in public utility shall go on strike in breach of contract.
- (A) Maternity Benefit Amendment, 2017
- (B) Industrial Dispute Act, 1947
- (C) Bonded Labour Abolition, 1976
- (D) Unorganized Workers Social Security Rules, 2009

185. Which of the following is not a scientific sampling?
- (i) Simple Random
  - (ii) Stratified Random
  - (iii) Quota
  - (iv) Snow Ball
- (A) (i) and (ii)                       (B) (iii) and (iv)
- (C) (i) and (iv)                      (D) (ii) and (iii)
186. Ethnographic Analysis is used in
- (A) Historical Research Design                      (B) Single Subject Research Design
- (C) Qualitative Research                      (D) Quasi Experimental Design
187. \_\_\_\_\_ refers to use of multiple methods or data sources in qualitative research to develop comprehensive understanding of phenomenon.
- (A) In-depth analysis                       (B) Triangulation
- (C) Iteration                      (D) Saturation
188. Mean < Median < Mode is present in
- (A) Negative skewness                      (B) Positive skewness
- (C) Mesokurtic                      (D) Leptokurtic
189. Direct quotations from people about their experience, attitudes, beliefs and thoughts are widely used in
- (A) Phenomenological Research                      (B) Descriptive Research
- (C) Quasi experimental Research                       (D) Qualitative Research
190. In levels of measurement, an extremely important aspect is
- (A) Reliability                       (B) Validity
- (C) Predictive validity                      (D) Predictive Reliability

191. \_\_\_\_\_ are sometimes called the 'Confounding Variable'.
- (A) Intervening Variable
  - (B) Independent Variable
  - (C) Dependent Variable
  - (D) Extraneous Variable
192. According to Kerlinger, 'A \_\_\_\_\_ is a property that takes on different values'.
- (A) Skill
  - (B) Variable
  - (C) Hypothesis
  - (D) Question
193. This is a measure of central tendency.
- (A) Arithmetic Mean
  - (B) Probability sampling
  - (C) Validity
  - (D) Reliability
194. It is a process of selecting an adequate number of elements from the population.
- (A) Sampling
  - (B) Sampling Frame
  - (C) Sampling Unit
  - (D) Sample
195. It is a subset of the population.
- (A) Sampling Frame
  - (B) Sample
  - (C) Sampling Unit
  - (D) Sampling

196. This is a process of examining the collected raw data to detect errors and omissions and to correct those when possible.
- (A) Categorisation of data                       (B) Editing of data  
(C) Coding of data                                (D) Classification of data
197. A complete enumeration of all the items in the population is known as
- (A) Universe  
 (B) Census inquiry  
(C) Probability sampling  
(D) Descriptive Research Design
198. This constitutes all the items under consideration in any field of inquiry
- (A) Universe                                      (B) Sample  
(C) Design                                        (D) Study
199. This is the first step in a scientific enquiry
- (A) Preparing the Research Design  
(B) Extensive literature survey  
 (C) Formulating the Research Problem  
(D) Development of working hypothesis
200. This type of research is related to some abstract idea(s) or theory.
- (A) Empirical Research  
 (B) Conceptual Research  
(C) Ex post facto Research  
(D) Qualitative Research
