Sir,

Sub: Public Services – Enquiry by Directorate of Vigilance and
Anti-Corruption – Cases in which further action is dropped –
Modification Order - Issued

Ref: Government Letter (Ms) No.1092/N/1987, dated
10.12.1987.

In the reference cited a clarification has been issued to the effect that whether in a Preliminary Enquiry or Detailed Enquiry conducted by the Directorate of Vigilance and Anti-Corruption it is proposed to drop further action even before framing charges against the official concerned, it is necessary for the Competent Authority to issue an order for dropping of further action and communicate the same to the Director of Vigilance and Anti-Corruption and also to the individual concerned.

2. Now, it has been decided by the Government that if orders are passed for dropping further action even before framing of charges or calling for explanation against the official concerned, such orders of dropping action may be communicated only to Director of Vigilance and Anti - Corruption. This order need not be

(P.T.O)

communicated to the individual concerned. However, in cases where detailed enquiry is made, any order dropping further action should be communicated to Director of Vigilance and Anti-Corruption and also to the individual.

Yours faithfully,

N. Malini

for Chief Secretary to Government
